MEMBERSHIP OPTIONS

Truffle Affair

Chocoholics, your box is filled with 3 flavors of our flavorful, rich, dark chocolate truffles for a grand total of 9 delicious truffles (this is one more than our standard small box holds), and weighs 5.5 ounces. Occasionally, you'll be treated to a new, carefully taste-tested truffle flavor.

Toffee Lovers

For you English Toffee fans, this is for those who know what they like and want it often. Your box of candy is packed full of English Toffee, and guaranteed to weigh at least 10 ounces.

Adventures in Chocolate

For those who enjoy a little more variety and spice to their chocolate pleasures, each box is half-filled with one flavor of truffles and half-filled with something from our "nuts & chews" line. A full box of this treasure is guaranteed to weigh at least 7 ounces. As an added bonus to your adventurous spirit, at least every other month (and maybe more often) you get to try out a new candy or new flavor of truffle. And yes, we want your opinions on the new stuff!

Nutty for Chews

Finally, for those of you who just want your candy to be flavorful, crunchy, chewy, and/or nutty along with your dark chocolate, your box is packed with 10 ounces or more of 2 different candies chosen from our "nuts & chews" line. As with the Truffle Affair, you will occasionally get a new confection (but only after it's been granted a seal of approval from our Adventures in Chocolate clients).
